

Connemara Pony Breeders' Society of Australia (CPBSA)

CONNEMARA PONY BREEDERS' SOCIETY OF AUSTRALIA Performance Pony of the Year 2010/11

Performance Register AWARD WINNERS 2010/11

The Connemara Pony Breeders' Society is pleased to announce the award winners of the Performance Register for 2010/11

In April 2010, the Connemara Pony Breeders' Society of Australia (CPBSA) established a new Performance Register. The Performance Register has been designed to record and recognise the performance of Connemara purebreds and partbreds that have been foal registered with the Society. Congratulations to our winners and thank you to everyone who participated and took the time to fill-in and return their scoresheets.

The new Register comprises three sections; Performance; In Hand and Premium Sires and Dams:

PERFORMANCE	All individual events including all under saddle classes, dressage, harness, hunter and jumping, eventing, endurance, novelties/sport, vaulting, polo/polocrosse, camp drafting, western and field hunting
IN HAND	All individual led-in or halter classes
PREMIUM SIRES/DAMS	All eligible results by first generation progeny

Points are recorded by owners in the Scorebook provided and awards will be presented annually to the highest scoring ponies in each state. Scores are calculated from 1st July to 30th June. Separate awards will be given for the 'Performance' section and the 'In Hand' section. There is NO entry fee.

Individual prizes for 2010/11 comprise a woolen embroidered rug for the winners and a saddle blanket ('under saddle') or trophy ('in hand') for runners up. The award winning ponies will also have their achievements celebrated in selected horse and pony journals and websites. It is anticipated that over time, the Performance Register will not only become a prestigious and sought after award, but will also provide an interesting and useful reference for breeders and competitors.

Please note that awards for 'Premium Sires and Dams' will not be awarded this year. This award will commence once progeny have had an opportunity to compete and accumulate points.

For further information and an entry form please contact the Registrar

Catherine McTaggart: kestral@activ8.net.au or visit www.cpbsa.com.au
to download entry and scoresheets.

Please note that each pony only needs to be entered once. There is no need to reapply each year.

NATIONAL PERFORMANCE PONY AND VICTORIAN TITLE - 'UNDER SADDLE'

Pony Name & Details:
Celtic Fairytale
(Celtic Winter's Tale x Ballantrae Treacle)
Owner/Rider Details:
Ridden by Kayla Lenehan
