New Cross Country course at the Ashgar Stud Farm

HAPPY NEW YEAR TO ALL OUR MEMBERS!

The Society had a quiet year last year as the committee re-grouped after a number of changes to its committee members.

We ended the year on a high note and this is an indicator of how we will continue in 2010.

The Summer Show was well attended, the quality of the Connemara's was encouraging and we hope to see you all at Horse Of The Year in February as well as some of the new members too!

Please remember to *send in your results* of whatever you have competed in and don't forget to let us have photos as well - Send to sally@uhurucom.co.za

Please note the closing date for HOY is 11 January 2010, the schedule is up on the GHS website.

Ashgar Stud Farm, Annual Training Show.....

ASHGAR STUD FARM, ANNUAL TRAINING SHOW

Simon – Ashgar Katelyn

Lucy Young – Count

On the 21st of November '09 at the Ashgar Stud Farm, we had our annual Training Show. We held a number of Show Jumping classes and ran two Cross Country courses. The new improved course was a huge success. The entries were small but it was a very successful show and much fun was had by all that attended. Thank you to everyone who participated in the show, and who

helped organizing it and of thanks goes to the judges! For everyone who knew little Lucerne, our baby angora goat who got abandoned by his mother, he died on the 3rd of December 2009. Thanks to everyone who helped taking care of him while you were here at the farm for the show. We really miss him!
